## **PROTECTION OF CROP, NATIVE AND OTHER NON-TARGET PLANTS**

DO NOT apply under weather conditions, or from spraying equipment, that may cause drift onto nearby susceptible plants/crops, cropping lands or pastures.

## **PROTECTION OF WILDLIFE, FISH CRUSTACEANS AND ENVIRONMENT**

TDO NOT contaminate streams, rivers or waterways with the product or used containers. DO NOT apply to weeds growing in or over water.

DO NOT spray across open bodies of water.

## **PROTECTION OF LIVESTOCK**

There is no withholding period for grazing stock, but to give the product a chance to be efficiently absorbed by sprayed vegetation, it is recommended that livestock be kept clear of treated annual weeds for one day after spraying, and for perennial weeds 7 days. For certain plants known to be toxic to stock, it is advisable to keep livestock away until complete browning occurs.

## **STORAGE AND DISPOSAL**

Do not store the product in galvanised steel or unlined steel containers, as the product may react to produce hydrogen gas, which in turn could form a highly combustible gas that could explode if ignited by an open flame, or spark, lighted cigarette etc.

Store in the closed original container in a well ventilated area as cool as possible. Do not store for prolonged periods in direct sunlight.

Triple or preferably pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, puncture and bury empty containers in a local authority landfill. If not available bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

For refillable containers: Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage.

## **SAFETY DIRECTIONS**

Product will irritate eyes and skin. Avoid contact with eyes and skin.

When preparing the product for use, wear elbow length PVC gloves and face shield or goggles.

When using controlled droplet applicator wear protective waterproof clothing and impervious footwear.

After use and before eating drinking or smoking, wash hands, arms and face thoroughly with soap and water.

After each day's use, wash gloves and face shield or goggles and contaminated clothing.

Toxic to aquatic life with long effects. IF SWALLOWED rinse mouth. DO NOT induce vomiting. IF ON SKIN wash with plenty soap and water.

## **FIRST AID**

If poisoning occurs, contact a doctor or Poisons Information Centre (PHONE AUSTRALIA: 131126)

## **MATERIAL SAFETY DATA SHEET**

For further information refer to Material Safety Data Sheet which can be obtained from the supplier.

## **TO BUYER NOTICE**

Forward Australia Pty Limited will not be held liable for any loss, injury or damage, indirect or consequential, arising from the sale, supply, use or application of this product. The product is not to be used for any purpose or in any way contrary to label instructions.
